2022

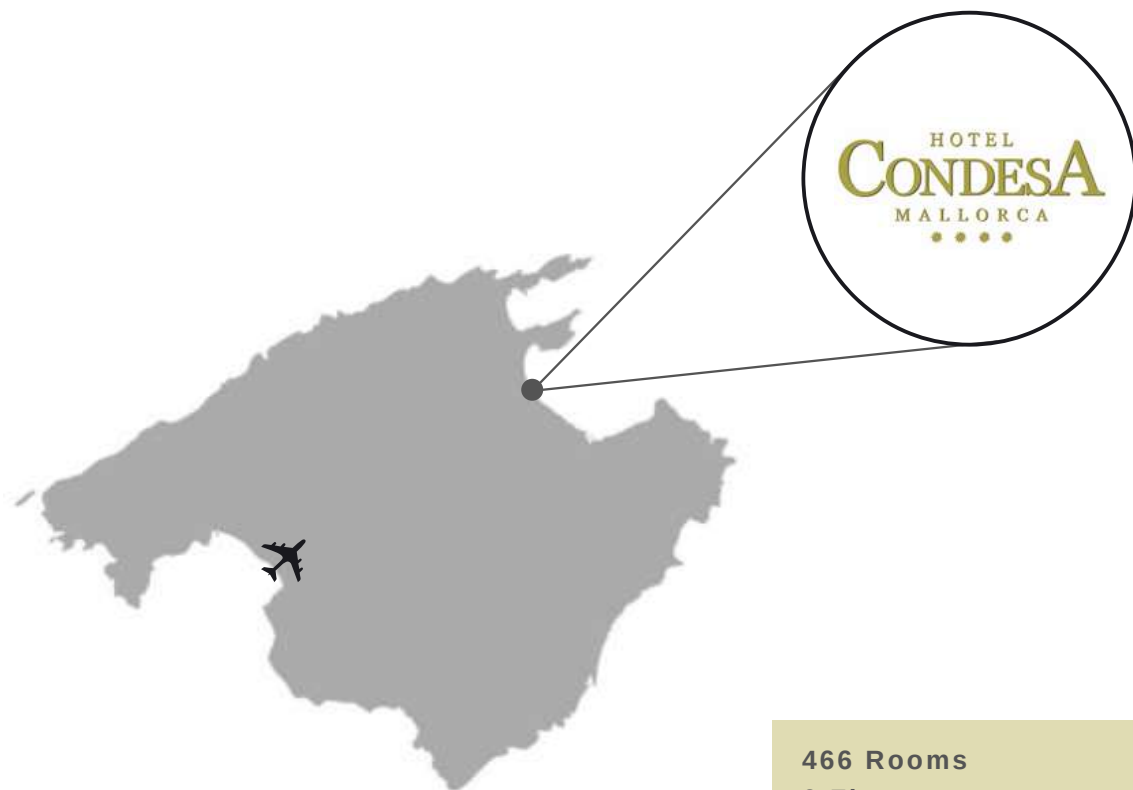

The **Hotel Condesa**, is not only the ideal place to stay for its services and facilities available to all guests, but also for its location on the shores of the incredible **Playa de Alcudia**.

Stretching almost **7km long**, Playa d'Alcudia is an extensive white sandy beach in the **north of Majorca** situated a few kilometres from the Port d'Alcudia. This marvellous and sandy area is considered the largest of all the Balearic Islands and has a lovely and peaceful coastal walkway.

Alcudia has an incredibly charming **old town** inside the medieval walls that holds a market twice a week, a great option for historic lovers.

Alcudia has become one of the main tourist destinations in Majorca thanks to its offering of sports, activities and leisure. It is a wonderful location for nature lovers, with 30km of coastline across a great diversity of landscapes.

CONDESA **MICE**

Condesa is a vacational hotel located in the north of Mallorca, one of the Mediterranean pearls. We are right by the beach of Playa de Alcudia.

We are strongly committed with bringing people together and providing a remarkable and unforgettable group experience for our clients.

Providing a quality service is a fundamental requirement for us. We want to ensure we fully understand what's on our client's mind in order to make the idea happen in the most accurate way and obtain the best posible outcome.

"We believe we have all the ingredients well combined to provide the group experience that you deserve. Come and enjoy them!"

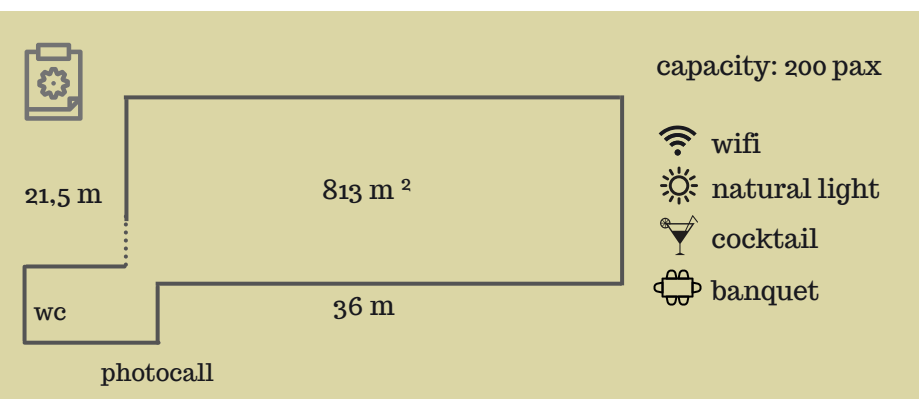

Stunning **brand new** terrace at the top of the Hotel, located in the heart of the bay. Its charming views will leave you speechless. You will be captivated by the perfect atmosphere created by the combination of good music, variety of drinks and great views.
